Proof of identity in connection with the insured's death

You are entitled to payouts in connection with the insured's death, and therefore we need proof of identity in order to be able pay out the money to you. You can provide proof of identity by forwarding a copy of two of the documents described below together with this form.

The following documents will be accepted as documentation:

- Driving license
- Passport
- Danish health insurance card

If you are unable to forward a copy of two of the above-listed documents, you can instead forward a copy of one of the documents together with a copy of one of the following documents:

- Birth certificate
 - Tax card
-
